

## IP54 Wall Mounted Cabinet with Swing Frame

**Prysmian Part Numbers: See below**

A range of Wall Mounted Cabinets with a swing out frame sealed to IP54. The cabinets are supplied with 19" mounting rails on an internal swing out frame to provide access for cable routing and to internal equipment. The cabinets have a lockable steel framed acrylic glass door for safety and security. The cabinets are available in heights of 380mm, 600mm and 760mm (6U, 11U and 14U).

### Features and Benefits

- Cabinet is 600mm in width and 300mm in depth.
- The cabinet is available in three different heights of 380mm, 600mm and 760mm. The usable internal height in units is 6U, 11U and 14U.
- The cabinets have a swing out frame for ease of cable routing and to provide access to equipment.
- Supplied with 19" mounting rails and can accommodate a range of 19" products including the Prysmian SRS3000 Splice Only, Patch Only, Splice and Patch and Storage shelves.
- Simple one man installation. Supplied completely assembled.
- Supplied with a lockable transparent acrylic door, or with a steel door.
- The cabinet is sealed to IP54.
- Heavy duty construction.
- Painted light grey RAL 7035.

### Kit Contents

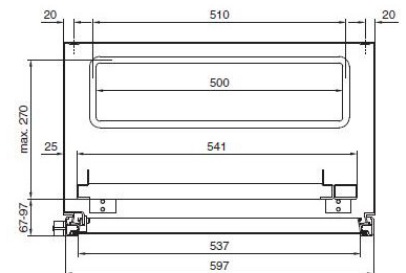

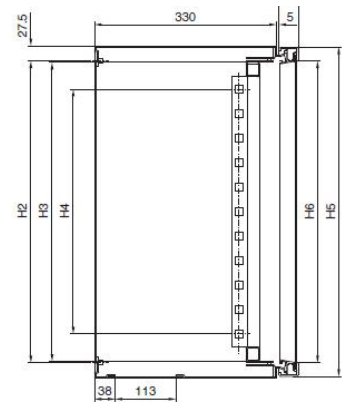

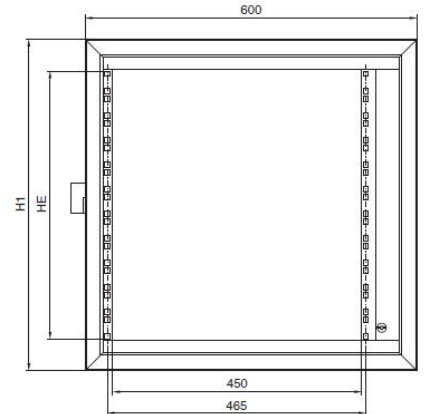

- The cabinet is supplied with side panels left and right, a set of 19" mounting rails, cage nuts and a lockable glass door.
